Notes: Alaska's ARRA website changed for the worse in the time since the first *Show Us the Stimulus* study was released. The URL (<http://www.alaska.gov/recovery>) now links to a page on the state Office of Management and Budget website that is little more than a compilation of links to other state agency websites.

Spending by broad program categories is displayed in a PDF here:

Spending by narrow program categories is linked here: http://omb.alaska.gov/ES_ARRA/arra_summary.php

Job totals for the state as a whole are referenced in the fifth bullet point of this PDF:
