Notes: There is an interactive map showing spending totals by county. Clicking on a county opens up a page listing projects and programs with links to pages with more details such as dollar amounts, start/end dates and percentage completed, but many of these fields are still blank. There is no ability to display the location of individual projects, but the state has also developed an iPhone application for locating projects. It is available via a link to the iTunes page on the state's ARRA site.
