Notes: Spending allocation breakdowns by narrow program categories are linked from the homepage. The PDF file called Florida's Fair Share at <http://flarecovery.com/resources/browse/file/fl-fairshare.pdf> and linked from the homepage provides spending allocations for a few broad categories, but the information is limited and dated and therefore does not earn points. Additional funding summaries are available in the Documents section of the website at <http://flarecovery.com/documents>.

Contract/Grant details such as dollar amount, project description, and job totals, but not recipient name, are available in an Excel file called "October 29 - Database Snapshot of FlaReporting," which is available in the Documents section at <http://flarecovery.com/resources/documents/flarecovery20091030.xls>.

A statewide jobs total is provided in the "One Page Summary - Awards, Expenditures & Jobs" which also available in the Documents section at <http://flarecovery.com/resources/documents/summaryawardsexpendituresjobs20091030.pdf>.
