Notes: Nevada's site provides basic information about job creation/retention and spending figures through its 1512 reports. The site could be improved with a mapping application and a method for comparing the geographic distribution of funds.

Broad and narrow spending information is available at http://nv.gov/recovery/Qry_ARRA_DptPgm_Details_TotalX.asp.

The state has posted a downloadable spreadsheet of 1512 data disclosing project descriptions, cost, name of recipient entity, job creation/retention and project status at <http://nv.gov/recovery/Reports/2009/Nevada1512Workbook-10-29-09%20Locked.xls>.

Job totals are available here in narrow program areas and for the entire state:

http://nv.gov/recovery/Qry_JD_TotalX.asp.

There is no mapping feature.
