Notes: A spending breakdown by program is posted at [http://www.oregon.gov/recovery/arra\\_funding\\_sources.shtml](http://www.oregon.gov/recovery/arra_funding_sources.shtml).

Spending breakdowns by county for overall spending and individual program areas are provided by scrolling over the ESRI map at [http://oregon.gov/recovery/StimulusReporting/ARRA\\_Projects.shtml](http://oregon.gov/recovery/StimulusReporting/ARRA_Projects.shtml). Details provided for individual projects on the map include sub-recipient name, award amount, job numbers, and project descriptions. Project status is listed commonly as “on schedule” instead of as a portion of work completed. The data illustrated in this map are available in a downloadable Excel file which is linked in the paragraph just above the map.

Below the map, at the bottom right corner of the page, the Data Summary link takes users to job totals statewide and by county.

The search function covers various Oregon government agency websites, but it does not cover data on the main ARRA website.
